

REMARKS

Claims 1-18, 32, 34-37, and 44 are pending in the present application.

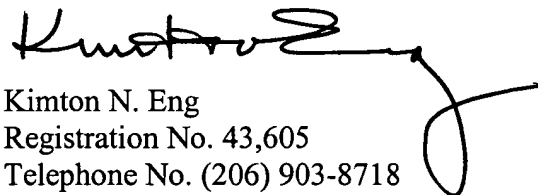

In the office action mailed April 21, 2006 (the "Office Action"), the Examiner allowed claims 1-18, 32, and 34-37, and rejected claim 44 on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claim 2 of U.S. Patent No. 6,730,553 to Cho *et al.* (the "Cho patent").

With respect to the rejection of claim 44 under the judicially created doctrine of obviousness-type double patenting, a timely filed terminal disclaimer in compliance with 37 C.F.R. 1.321(c) has been provided with this amendment. Consequently, the rejection of claim 44 for obviousness-type double patenting should be withdrawn.

All of the claims pending in the present application are now in condition for allowance. Favorable consideration and a timely Notice of Allowance are earnestly solicited.

Respectfully submitted,
